1. INTRODUCTION

A warm welcome to all BMX riders in Europe. **We are BMX** are proud to invite you all to beautiful Østfold county in Norway and Råde BMX Arena for the round 5 and 6 of this years UEC European Cup in BMX. This event is hosted by We Are BMX , a joint effort between 4 clubs in the region. Combining forces from Råde BMX, Moss BMX, Aremark BMX and Gressvik BMX clubs, we hope to give you a great event and a joyful experience when visiting our great new SX track we proudly share in our region. The race will be held at Råde BMX Arena a SX track in Norway with an high international level BMX track built by Elite Trax in 2016. The track has pro-sections on the 2nd and 3rd straight. Dual start hill with both a 5 meters high hill with a Bensink gate and a 8 meters hill equipped with a Pro Gate start.

We are really excited to show you this fantastic BMX arena. All is set for a spectacular and challenging race. We are looking forward to see you all in Norway this May.

On behalf of We Are BMX

3. THE CITY OF RÅDE AND VISIT ØSTFOLD

Råde

The location for the event is Råde. "The village between the cities"

Råde is one of eighteen municipalities in the county of Østfold, centrally located to the largest towns in the region; Sarpsborg, Fredrikstad and Moss. The town has idyllic surroundings and is very popular during the summer. This becomes evident as many people travel to Saltholmen (located in Saltnes - Råde), to swim at the beach and enjoy the lovely views of the Oslo fjord. The 20 km long Coastal Walk Trail which passes through the outskirts of the town, is also a popular venture all year round.

What else to do ? Are you up for some exploring ?

Check out the fortified town in Fredrikstad and the summer paradise Hvaler Islands.

Fredrikstad – The old town

Fredrikstad was founded in 1567 during the reign of King Frederik II, after King Olav II's ancient town Sarpsborg had been burnt to the ground by Swedish troops. The best preserved fortress town in Scandinavia consists of buildings from the 18th century and a fortification with walls and moats from the 17th century.

Fredrikstad's historic Old Town is a dynamic part of the city. In addition to the historic buildings, you will find several small shops with designer goods, arts and crafts, furniture, food and curiosities.

Fredrikstad City Museum with its historic city exhibition is also located here, and the flea market every Saturday on the town square is well worth a visit. The Old Town is also home to many galleries and a number of cosy restaurants and cafés.

7. RULES

The provisions of the UCI's BMX Rulebook in its latest version apply with a few amendments:

- Riders categories: as set forth in chapter 'Riders Registration, Registration fees, late entries and classes'.
- For all categories (Challenge and Championships) scrambled seeding is used for the motos according to article 6.1.027 and 6.1.027 quarter of the UCI BMX Rulebook v20190101.
- Rider's equipment:
 - The use of interlocking pedal-cleat systems is allowed for categories 13 years and over according to article 6.1.079 of the UCI BMX Rulebook v20190101.
 - All riders receive a number plate and side plate from UEC at registration of the UEC BMX European Cup Race. In all UEC sanctioned BMX events a rider must display the number plate and side plate assigned to him. A rider who fails to display the correct number plates will be refused their start, or relegated, if it is noticed after beginning a heat or run.
 - all Championship and Challenge riders must either wear a clearly visible national flag of their country on both shoulders or the national jersey of their country.
 - if a Championship rider is National Champion in their class, this rider must wear either:
 - the jersey awarded by the federation,
 - a replica of that jersey with publicity in the spaces allowed by the regulations,
 - their normal jersey with the left sleeve designed to look like the flag of their country
- Number of motos: in case of special conditions (weather, wind or else) or a high number of participants, the UEC BMX Commission allows the PCP in agreement with the UEC Technical delegate to reduce the number of motos. This can only apply for challenge classes and never for championship classes.
- Team Managers meeting will be on Friday 3rd of May at 16:00.
The location of the meeting will be at the welcome center marked on the overview map of the arena. Location 9.

The participation is mandatory for:

- max. 1 National Delegate (Chef d'Equipe)
- max. 1 Team Manager of the UEC registered team

If necessary, the UEC Technical delegate and PCP can decide to call for other meetings during the event.

- The posting of race information including start lists and results will be done electronically at every event of the UEC BMX European Cup events.

Rules only applicable during Rounds 5 & 6 in Norway

The race will be open for riders 7 years and over. All riders aged 10 and under will race a slightly different race schedule because they are officially not allowed to race competitively. Riders 11 years and over are allowed to participate in the official UEC BMX European Cup.

All riders aged 7 till 10 years are allowed to race Rounds 5 & 6 of the 2019 UEC European Cup, but the following Norwegian rules have to be respected:

The 10 and under riders:

- will race 4 scrambled motos per category;
- will not transfer or be eliminated from the race;
- will not have a podium ceremony;
- will all receive the same award.

No results of the categories 10 and under will be published or communicated other than at the BMX track.

Federations can register Championships riders as late entries on Friday between 11:00-13:00 paying double entry fee for these riders.

Chef d'Equipe rules

Each federation which registers riders must appoint a Chef d'Equipe (national team manager) to represent the interests of all of its riders. Each Chef d'Equipe must confirm the presence of each rider as per the preregistration riders list, on the scheduled day and times of registration.

Before each event a national federation must register their Chef d'Equipe and assistants in the UEC online registration system, the registration will be checked at the event.

National federations must register official trainer/coaches in the online registration system. This way we can acknowledge them as trainers and give them a pass at European events.

Team managers and assistants need to present a license from the federations. UEC will check the license and then they will be given the accreditation. Without a federation license UEC will not give out accreditation.

A Chef d'Equipe or his nominated assistant is accredited by the organiser with the right to enter a restricted zone in order to perform his duties. Such accreditation may be revoked for any breach of the UCI Regulations or noncompliance with the instructions of the organisation or the Commissaires' panel.

In addition to the Chef d'Equipe, a number of team assistants shall be allowed. This number of team assistants shall correspond to the limits defined below.

Each Chef d'Equipe will also receive extra Crew passes which they can distribute to: mechanic, physics, national coach or any other person of their delegation, according to the table below.

Members of the country delegations will receive ID cards / passes at all UEC events according to the following schedule **if they register their staff through the UEC online registration system.**
